## KEY CORNERSTONE FOR PARTLY COMPLETED BIOLOGY BUILDING

Father O'Brien and Father Busam Officiate; Facilities to Compare with Larger Schools

Rev. Joseph F. Busam, S. J., addresses the faculty and student body at the ceremony of the cornerstone of the new biology building as Very Rev. John A. O'Brien, S. J., president of Holy Cross, at the right places the box of "memo" within the cornerstone.

Holy Cross took one of its most significant steps in the field of science Monday when Very Rev. John A. O'Brien, S. J., and Rev. Joseph F. Busam, S. J., laid the cornerstone for the College's new biology building.

The half million dollar edifice, to be completed by next September, will be standing among buildings of this campus and will rank with Harvard, Yale and other large educational institutions.

The ceremony conducted outside the partially-completed structure was officiated by faculty and students of Holy Cross. Father O'Brien, in the opening speech, enumerating the contents of the bronze box which was placed in the cornerstone, said that these were last year's convocation issue of the TOMAHAWK, a copy of The Alumnus and the April issue of The Purple. Other articles included were the September 20 issues of the Evening Gazette and the Worcester Telegram, names of the student body for the coming year, a student book, copies of the contracts for building, an aerial view of the campus, a Sacred Heart badge, the Year prayer with a picture of the Virgin Mary and the names of donors to the Malumphy Museum.

Biology Developed Slowly Here

Father Busam, chairman of the biology department, then introduced by Rev. Arthur J. Madden, S. J., told of the slow development of biology study at the College, from one room start in the ground floor of Beaven Hall, to a point where the department occupied the entire second floor and finally to the present stage, where the necessity for expansion is evident. "Biology is the science of living things," said Father Busam. "It deals not only with plant life but with brute animal and human life. It will be so beautifully depicted

## SG Primaries to Be Held Oct. 3

Cullen Announces Details for Elections

Thomas J. Cullen, Vice-President of the Holy Cross Student Congress, released details this week on election of representatives to the Congress from the three upper classes. The election of Freshman representatives will take place in February.

The primaries are set for next Tuesday. Final elections will be held on Friday. Resident students will vote on their corridors between the hours of 7 p. m. and 9:30 p. m. Day students will vote in the Day-Student Room between the hours of 10:30 a. m. and 3:30 p. m. These times and places are the same for both the primary and final balloting.

Each corridor will elect one representative to the Congress and there will be one day student representative for every 70 Senior, Junior and Sophomore day-students. In the primary elections for each representative, three men will be chosen and one man will be chosen from these three in the final balloting. In a statement to the TOMAHAWK, Cullen said, the importance of these coming elections cannot be overemphasized. The effectiveness and success of the Student Congress throughout the coming year will depend on the caliber of the men that the Student Body elects to represent it. The Officers and Cabinet of the Student Congress have labored through the summer in order to make this, the Fourth Student Congress, a successful one. Capable men are now needed to improve and carry on their work."

## FOOTBALL TEAM OPENS SEASON AT DARTMOUTH

By Herb Janick

When Dr. Eddie Anderson came to Holy Cross last spring to take charge of the Crusader's football fortunes for the second time in his twenty-seven year coaching career he was faced with a discouraging situation. He was handed a squad composed mainly of inexperienced sophomores and juniors which had lost twenty lettermen through graduation. In a few short months he had to mould them into a team capable of tackling a rugged ten game schedule.

## Dr. Anderson speaks at rally tonight in Chapel Auditorium at 7 P. M.

Now as the Doctor preps his charges for the opener Saturday against Dartmouth at 2:00 p. m., indications are that despite injuries to key men and other misfortunes he has performed a remarkable job. Indeed, while this is not the year to talk of undefeated seasons and such, it is certain that the 1950 edition of the Crusaders will be an improvement over last year's aggregation which won only one game in ten.

The 1950-1951 school year began in the traditional Holy Cross manner on Saturday morning, September 23, with a Solemn Mass of the Holy Ghost for the Freshman and Sophomore classes in Memorial Chapel. Celebrant was Very Rev. John A. O'Brien, S. J., President of the College. Rev. Jeremiah J. Donovan, S. J., Dean of Men, and Rev. Francis J. Hart, S. J., Student Counselor, served as deacon and sub-deacon respectively.

Father O'Brien officially welcomed the Freshmen to the Hill and expressed his wishes for a successful school year. The President of the College urged the returning Sophomores to continue their excellent work and to strive for spiritual and academic perfection. He warned all those present of the secularist forces at work in non-Catholic collegiate circles, and the need for remaining close to Christ and His Church in view of the present world situation.

On Monday morning Father O'Brien, celebrated a Solemn Mass of the Holy Ghost for the Junior and Senior classes. Rev. James E. FitzGerald, S. J., Dean, served as deacon and Rev. Leo A. Shea, S. J., Dean of Freshmen and Sophomores, served as sub-deacon. Father O'Brien devoted his sermon to the exposition of those aims and ideals which each student should adopt to insure a successful year of growth in wisdom, character and spirituality.

The Student Choir, under the direction of Father Joseph D. Ahearn, S. J., provided the music for both Masses.

## Many Changes Made In Faculty

Fr. Donovan S. J. And Fr. Glavin S. J. Given Important Positions

Faculty changes for this year at Holy Cross were highlighted by the assignment of Rev. Jeremiah J. Donovan, S. J., former assistant professor of German and Religion at the College, to the post of Dean of Men, succeeding the Rev. John P. Deevy, S. J., who has been assigned to the Faculty at Boston College High School.

Rev. Joseph A. Glavin, S. J. who has been studying at Manresa Hall, Port Townsend, Washington, succeeds Rev. John M. Tiernan, S. J., as Moderator of Athletics. Others assigned to Holy Cross are: Rev. John E. Welch, S. J., '07, as spiritual father of the Holy Cross Community; Rev. Eugene D. McCarthy, S. J., '37, as Assistant Dean of Men succeeding the Rev. Thomas J. Walsh, S. J., who remains as assistant professor of Religion; Rev. Arthur J. Madden, S. J., returning to the Department of English, and assuming moderatorship of the TOMAHAWK; Rev. William J. Read, S. J., '35, to the Department of Religion; Rev. Maurice F. Reidy, S. J. to the Department of History; Mr. Samuel E. Carter, S. J. to the Department of Economics; Mr. James H. McElaney, S. J., to the Department of Physics and Mathematics; and Mr. Laurence R. Skelley, S. J., to the Department of English.

## THE EDITOR SAYS . . .

At the top of this column you can see the names of a dozen or so men who for twenty-six weeks are going to do their best to give Holy Cross College and its students the most representative newspaper that is humanly possible. Working in unison with some eighty-odd other people whose names for lack of space don't appear at the top of the column, these men for twenty-six weeks are going to report things which happen around Holy Cross—and occasionally some things that didn't happen, but should have. Once in a while we'll go outside Holy Cross to a political, religious or educational scene which has interest to you as students—or should have.

But for twenty-six weeks, we emphasize, the material in the TOMAHAWK is going to be of importance and interest to students and, more specifically, to you as students at Holy Cross. If as the weeks pass—you don't think we're doing what we've promised, then call on us and let us know.

As far as news reporting goes, some of you students and faculty, it is evident, will never be interviewed by a TOMAHAWK correspondent. If you ARE called upon, then we ask for your cooperation. If you are NEVER called upon, we STILL ask for your critical support, at least. You will be helping us to do our best. In twenty-six weeks all of us and all of you will see the reward of the work we do and the cooperation we ask—the greater credit of Holy Cross, in whose renown you will always share.

## A NEW YEAR

In this first issue, the TOMAHAWK staff extends a hearty welcome to its new faculty moderator, Rev. Arthur J. Madden, S. J. However, the warmth of our welcome to our new advisor is offset somewhat by the realization that in gaining the valuable experience of Father Madden, we lose the inspiring aid of Rev. Paul F. Barry, S. J. During the past three years, Father Barry has labored long and well for the TOMAHAWK. The senior members on the staff will miss his wise counsel, timely criticism, and sincere praise. Along with Father Madden, the TOMAHAWK is indeed fortunate in obtaining the services of the Rev. Eugene J. Harrington, S. J. a junior philosophy professor, to replace the capable Henry J. Mallette, S. J., as business staff advisor. Under the expert direction of our new and experienced moderators, the TOMAHAWK can further extend its reputation as an outstanding Catholic college newspaper.

## WELCOME, CRUSADERS

To a Freshman making his first trip up Linden Lane, Holy Cross often looms a cold and forbidding place. This uneasiness is soon dispelled, however, by the greetings of the Rector, the Deans, and the various student welcoming committees. Instead of hazing and hostility from the upper classes, he is at once accepted for what he is—a new member of the brotherhood of Cross men. The friendly and understanding attitude of the upperclassmen bears eloquent testimony of their pleasure at this addition to the family of Mount Saint James. For every student on the Hill is included in a comradeship just as close as that of any Greek-letter fraternity. All that is required to get the full benefit of this membership is a friendly smile and the "Hi" to everyone which is one of Pakachoag's finest traditions.

To the class of 1954 we say, "Welcome, Crusaders". We offer you our friendship and our help, with the sincere wish that your years at Holy Cross may be blessed, happy, and fruitful ones.

## A Letter to the Students

The following letter was received by the TOMAHAWK from the President of the Student Congress and is printed as a service to the student body:

To the Student Body,

The Officers and the Cabinet of the Student Government of Holy Cross join me in thanking, very sincerely, each Freshman, Sophomore, Junior and Senior who helped to make last week's collection such a success. While final tabulations have not been made, your Student Government has realized over fifteen hundred dollars.

I sincerely hope that your generous co-operation in this initial undertaking of the Congress will be equaled by your well-considered discernment in sending us, next week, your representatives to the Fourth Congress. You have made an investment and it is up to you to see that your investment is well cared for by sending to us your best men as representatives.

Throughout the summer months the Officers and the Cabinet have been working to make the Fourth Congress an organization worthy of your support. We can attain this goal only with your individual and collective support. If the co-operation shown us last week is any indication of your feelings, we feel sure of a most fruitful year.

Thanking you once again for your generous co-operation, I am Sincerely Yours,

Charles F. Keenan Jr., President.

## IN MEMORIAM

"Being made perfect in a short space, he fulfilled a long time. For his soul pleased God." (Book of Wisdom; Chap. IV, verses 13-14)

We here at Holy Cross wish to extend our sincere sympathy to the mother and two brothers of Philip Murphy, who was fatally injured on June 26, in a highway accident. Those of us, who were fortunate enough to know Phil Murphy prized his friendship; the boy with the genial smile for everyone, whether in the gym, in the classroom, or on his corridor. All of us share a genuine sorrow; with his many friends in the Boston Club; the faculty and entire Student Body will remember in their prayers this true Holy Cross Gentleman.

By Charlie Keenan

Students returning to their academic pursuits here expressed their great surprise last week at finding implanted, by the side of the road behind Alumni leading to the old gym, a large and colorful sign proclaiming to the world — "EXCUSE THE INCONVENIENCE WHILE MASSACHUSETTS BUILDS ANOTHER SECTION OF HER GREAT NEW HIGHWAY SYSTEM."

The College Post Office, always a scene of wild excitement in years past, has been strangely silent since last Tuesday morning. For it was on last Tuesday morning that Mr. Marvin C. Munch, Class of '51, spied an envelope in his P.O. Box. Shaking with eager anticipation and naturally assuming that the epistle contained his acceptance into the elite Collegiate Club — (Mr. Munch had been trying for three years to have his name placed on the select list of that worthy organization) — Mr. Munch reached quickly into his P.O. box and drew forth the letter. Mr. Munch has twenty-one days in which to clear up his personal affairs.

Included in the cornerstone box of the new Biology building was an issue of the TOMAHAWK, an issue of the Purple, a College Catalogue, September 20 issues of the Worcester Telegram and Gazette, a student handbook, Joe Isola, a capsule from the Infirmary, a blue slip and Bob Cousy's left index finger.

Mr. Calvin C. Glutz, Class of '54, reports that he made his journey all the way from his home in Little Rock, Arkansas, entirely without the aid of road-maps. When asked how he accomplished this amazing feat — Mr. Glutz had never been beyond the Little Rock city limits previously — the resourceful Freshman calmly explained "Why it was simple. I merely followed the MYSTIC RIVER BRIDGE signs from Little Rock until I hit Worcester."

After exhausting investigation and extensive research we have finally uncovered the real purpose for the photographs which were snapped of each student on Registration Day. These pictures will be used to form a "Date Book" which will be circulated throughout the various women's colleges of the East. This, then, entirely vitiates the terrible rumor circulating about the campus to the effect that the taking of these pictures was the doing of the J.S.P.

Among the many familiar faces returning to Holy Cross this year after a summer of frolic was the very familiar face of — who else — EDGAR! In the case of EDGAR, however, the return was not too happy a one for only last week did the valiant Crusader discover that Bob Cousy and Bill Porter would no longer be with us. So grieved was EDGAR at this disheartening news that he is seriously considering withdrawing from his post-graduate studies here on the hill.

A forlorn Freshman, Mr. Edwin C. Gulch, '54, was apprehended last week while attempting to perpetrate a most heinous crime. Mr. Gulch had stamped and addressed his laundry box to his home in Chicago and had then attempted to stow away in the outgoing parcel. He was apprehended by postal officials in Albany and will be returned here under guard.

## College Assists Freedom Crusade

### Students Get Chance To Pledge Support In Heritage Drive at H. C.

Under the chairmanship of Edward A. Kennedy, a crusade to reactivate the consciousness of Americans of their heritage of freedom will take place here this week. The campaign, headed nationally by General Lucius D. Clay, aims to give citizens the opportunity of signing the Freedom Scroll. The project, which is endorsed by Archbishop Richard J. Cushing, is supported by several campus organizations, including the Student Government. Many local leaders in business, industry, labor, church and veterans organizations are cooperating in an effort to get as many Worcester citizens and students as possible to sign these scrolls.

At the same time the scrolls are signed, an opportunity will be given people who wish to, to contribute to the financial support of Radio Free Europe, a private radio station in Germany which broadcasts to all the countries of Europe. Such contributions will also be used to help finance a network of freedom radio stations throughout both Europe and Asia to counteract communist propaganda without the "tinge" or restrictions necessarily placed upon the "Voice of Europe".

The Declaration of Freedom, planned both to counteract communist-backed Stockholm Petition and to support Radio Free Europe, is as follows:

"I believe in the sacredness of the individual. I believe that all men derive the right to freedom equally from God. I pledge to resist aggression and tyranny wherever they appear on earth. I am proud to enlist in the Crusade for Freedom. I am proud to help make the Freedom Declaration of Freedom, to have my name included as a permanent part of the Freedom Shrine in Berlin and to join with the millions of men and women throughout the world who hold the cause of freedom sacred."

## CONGRESS INITIATES NEW SERVICE POLICY

The recently-elected officers of the student government have taken office for the 1950-51 school year, supported by a fund of \$1500 gathered from contributions. After a summer of laying the groundwork for the new regime, President Charles Keenan has outlined his plans for the coming year. They include the establishment of a part-time employment bureau under the guidance of the school placement department and the inauguration of a series of film tours designed to further the Christopher movement in the area.

This year most of the government's energy will be directed toward providing helpful services for the student body. Starting immediately, work will begin to unify existing campus organizations as much as possible and to carry out a vigorous and constructive program of expanding student activities.

The students and faculty of the College extend their deepest sympathies to Robert Manning, '52, Graduate De Baun, '52, Edward Grogan, '52, and to John Tallon, '52 on the death of their fathers, and to Father David Moran, S.J., of the faculty, on the death of his mother, Professor Bowen on the death of his brother, and to William O'Connell, '28, of the Athletic Association, on the death of his father. They will be remembered in our prayers.

## College Students Position In Draft Made Clearer

With the present mobilization program in action, the draft looms as an ever-present problem to many undergraduates on the Hill. This story will present the student with an idea as to his status under the new draft law.

Any college student, if called upon by his draft board and duly classified 1-A, may obtain a postponement of induction if he has actually started classes in a full-time course prior to the date of mailing of his order to re-

port for induction. The dates for pre-induction mental and physical examinations do not figure in this procedure. The postponement, however, may be extended only until the student completes the current year or leaves school, whereupon he will be called to fill his district's immediate quota.

A college student may obtain a deferment for his four year tenure provided he fulfills the following requirements: 1) he has completed at least

one year of college; 2) he can obtain from the college a certificate that he was enrolled as a full-time student and was in the top-half of his class the preceding year; 3) he can prove that he fully intended to return this year for the furtherment of his education, prior to induction notice.

Pre-medical and pre-dental students are deferred from the draft as long as they are in good standing with the college.

## Campus Interviews on Cigarette Tests

### Number 1...THE PUFFIN BIRD

*"What's all the huffin' and puffin' about?  
I've been a Puffin all my life!"*

You may think this "bird" is funny — but he's no

odder than many of the cigarette tests you're asked to make these days.

One puff of this brand — one sniff of that. A quick inhale — a fast exhale — and you're supposed to know what cigarette to smoke from then on. The sensible test doesn't have to rely on tricks and short cuts. It's a day-after-day, pack-after-pack tryout — for 30 days. That's the test Camel asks you to make! Smoke Camels regularly for 30 days. Your "T-Zone" (T for Throat, T for Taste) is the best possible proving ground for any cigarette. After you've made the Camel 30-Day Mildness Test, we believe you'll know why...

## PATCHER PLANS DANCE OCT. 21

The perennial Purple Patcher Dance will dominate the evening of October 21, the day of the Holy Cross home game against Syracuse. The gym will house the popular affair which is annually held to raise funds for the college year book.

Chairman Ed Wilkinson will release full details of the dance shortly, and urges the Freshmen and Sophomores to join with their fellow Junior and Senior students in planning to attend this football weekend affair.

## K of C Smoker Set for Oct. 7th

One of the largest gatherings ever to join in the annual Knights of Columbus Crusader Council football smoker, is expected on October 6 at the Hotel Sheraton, when members of the student body and faculty, as well as Worcester Cross fans, gather to welcome back Dr. Edward N. Anderson as head coach of football at Holy Cross.

Alfred J. Mattei, '51 general chairman, has announced a spot-light pro-

gram that will feature members of the Holy Cross coaching staff, and members of the Brown University group who will be on hand to give a little advance information on their team.

### Madden To Be M. C.

Barney Madden, '25, popular sports editor of the *Providence Journal*, and former track star here at Holy Cross, will act as master of ceremonies in joining together an outstanding evening program of speakers and performers.

Rev. Joseph A. Glavin, S.J., newly appointed moderator of athletics, will be present to address the members of the student body for the first time since assuming his new duties. Other speakers include Eugene Flynn, director of athletics, Tom (Tex) Donnelly, '51, team captain, and the entire H. C. coaching staff.

The evening's entertainment will include a number of well-known entertainers here on the Hill headed by Angie DiPippo and his "Sympathy Five", giving their usual top-notch performance.

An extra added feature will be movies of the game between the Philadelphia Eagles and the College All-Stars, in which the college boys pulled an upset in downing their more experienced opponents.

Tickets for the affair may be purchased at the A. A. office at any time during the day, and from any member of Crusader Council.

## TOMAHAWK WILL SELL NEWSWEEK MAGAZINE

Newsweek magazine sales again will be conducted by the TOMAHAWK, and all profits realized will be used to further the work of your campus newspaper. Members of the Business staff will visit students in their rooms.

## Holy Cross Grad Added to Alma Mater Navy Unit

Lieut. Cmdr. John J. Finneran Jr., U.S.N., '38, has been assigned to the Navy Faculty here upon completion of a year's course at the U.S. Navy General Line School at Newport, Rhode Island. He will serve as Instructor in Gunnery to the Sophomore Class, succeeding Lt. Robert H. Kistler U.S.N., who has been recalled to active duty.

Lt. Cmdr. Finneran was commissioned an Ensign in June of 1940 and was elevated to his present rank in July of 1946. He served as engineering officer on the staff of Rear Admiral L. S. Sabin Jr. during the Normandy invasion. Prior to reporting to the Navy Line School, he served aboard the *U.S.S. Huntington* as damage control officer. Commander Finneran, returning to his Alma Mater after twelve years, lives with his wife and two daughters in Shrewsbury, Mass.

### Freshmen NROTC

Thirty-eight members of the Class of 1954 are regular NROTC students. Forty-three other members of the Freshman Class are contract students, while forty more are Naval Science candidates.

The regulars receive their board, tuition, and books for their four year college course in return for two years or more of active service in the Navy upon graduation. Contracts receive subsistence allowance in their last two years and a reserve commission as graduates. The Naval Science students also are eligible for commissions at the end of four years.

## Future Activities Outlined For Year By Worcester Club

Members of the Worcester Undergraduate Club held their first meeting of the year yesterday in the Day-Six students Room and outlined their plans for the year. Opening the meeting, Alfred J. Mattei, president, welcomed the incoming Freshmen, and introduced Rev. Raymond F. X. Cahill, S.J., moderator, who spoke on the future of the club and its position on the Hill.

The first activity undertaken by the Worcester group is in aiding the Catholic Charities Collection to be taken up at the Brown-H. C. football game. Under the supervision of Rev. David C. Sullivan, Director of Catholic Charities and approved by Rev. John J. Wright, Bishop of Worcester, the collection will be taken up by 100 members of the Newman Club of Worcester, assisted by members of the Worcester Undergraduate Club.

## FACULTY CHANGES

(Continued from Page One)

The following, who were assigned to Holy Cross this past year, have received new posts: Rev. William Burns, S.J., to Fordham University for advanced studies; Mr. Edward Kilmartin, S.J., to Fairfield University; Mr. William F. Doyle, S.J., to John V. Driscoll, S.J., and Mr. Harry J. Mallette, S.J., '41, all to Western College for theological studies.

## FIVE STUDENTS GET SUMMER DRAFT CALL

During the summer vacation five members of the Holy Cross student body were recalled into the service of their country. From the class of '52, James R. Dorr entered the Army, and George F. Allen and Charles F. McManus were recalled by the Navy. The Class of 1953 lost Walter M. Flynn to the Marine and William T. Cahill to the U.S. Army.

T. Lawrence O'Connell, junior class member from Newburyport, Mass., moves up from the business department to the newly-created post of librarian. His work will result in the compilation of a complete file of important events which have taken place at Holy Cross in the last 25 years.

In copy editors' positions are the Danaher twins, M. Joseph and William A. Jr., who have been on the business staff. They will take over proof and headline duties.

Heading the list of staff assignments which remain unchanged is David P. Anderson, a senior from Brooklyn, N. Y., who continues as sports editor, a post he took over last semester. Assisting him is Herbert F. Janick, also a senior, who hails from Rochester. James F. Kehoe, veteran photographer from New York City, continues as Photography editor. Martin F. on the friezes that will be carved in limestone above the second story windows. Behind the field of biologic research, there is a great Catholic tradition which is testified to by the works of such men as Pasteur, who is noted for his work in immunology; Swann, the co-founder with Schneider of the Call Theory; Mendel, an Augustinian monk, who with his simple but careful experiment with peas founded the science of genetics.

### **Library and Museum Included**

"In order to stimulate this interest in the study of biology for its own sake we have incorporated into the building a functionable library and workable museum for which many graduates of the biology department have generously contributed. Their names have been placed in the box enclosed in the cornerstone as a perpetual memorial of their generosity." In closing Father Busam emphasized the need of good Catholic lay and clerical teachers in the field of biology as well as in the ever expanding Biological research field.

The building itself, located below the gymnasium off College Hill, will face north overlooking the city. Offices will be situated on the first floor. A large amphitheater-like lecture hall will be in the rear of this floor with a storage room adjoining it. The Malumphy Museum will be housed in the west wing of the initial story. The second floor will contain a private laboratory for experimental work by faculty members and a photo and dark room for training students in photomicrography and preparation of slides for biological work. The west wing of the second floor will house a general physiology laboratory divided into two sections with a preparation room in between. Faculty lounges,

offices and stockrooms are also features of the second floor.

### **Biology and Genetics Laboratories**

Tank and cage facilities for the storing of specimens will be located on the third floor, as well as a general biology laboratory including a small hothouse where botanical specimens will be grown and cultivated. In the

rear of the third floor a large genetics laboratory will accommodate 60 students, and will be equipped with incubators for hatching fruit flies used in various experiments.

The building will be unique among college biology departments in affording small laboratories to provide more detailed and individualized instruction to laboratory students.

# Cross Opens Season at Dartmouth Saturday

## Gallo to Start At Quarterback

Massuco, Turco, Doyle Complete T Backfield

(Continued from Page One)

the gridiron picture. The unexpected return to action of Paul Gallo has bolstered the quarterback spot considerably. Gallo's greater experience gives him the nod as trigger man on the Anderson version of the T formation, but the sharp passing of Chuck Maloy, a promising sophomore with little game experience, will keep the pressure on Paul. Frank Matrango, another veteran, will also see plenty of action.

The remaining members of the offensive backfield, while small in size, will be extremely fast. John Turco, now fully recovered from a knee injury which hampered him last season, will get the starting call at left halfback. His running mate will be bruising Mel Massucco. Bob Doyle, a small but rugged junior, will open at fullback. The hard running of soph Joe O'Brien has impressed the coaching staff and he will be used frequently.

### DeChard Defensive Captain

While the two platoon system, used by most modern college teams, will be employed only in modified form it will be strictly adhered to in the backfield. When the Crusaders go on the defense, a quartet composed of Bill DeChard, John Cullity, Fran Bryson and Carm Manganiello will go into action. DeChard a vicious line backer, has been appointed defensive captain and he will call the defensive signals.

The most vexing problem faced by the coaching staff was found in the line, which was hit hard by graduation and injuries to key men. Because of the scarcity of adequate replacements, some men will be forced to play both offense and defense.

Jim MacDougald, one of the few seniors on the squad and a two year letterman, had the inside track at offensive left end but a knee injury will keep him out of Saturday's game. Joe Mikutowicz, a junior, will also see plenty of service. Vic Rimkus, a tackle on last year's freshman team, has been shifted to end and will be a starter on the defensive platoon. The loss of veteran Don Moriarity, who has given up football, will hurt.

### Felch Replaces Sweeny

At left tackle big Dick Sweeny was slated to start but a knee operation during the summer has put him out of action indefinitely. His place will be taken by Jack Felch, a 6-foot-3, 210 pound junior who will operate on both offense and defense. Senior Pete Frasca, still shackled by injuries, will be a first line replacement.

Chet Millett, a chunky sophomore,

PAUL GALLO

MEL MASSUCCO

BOB DOYLE

JOHNNY TURCO

should get the starting call at left guard. Tiger Murphy and Bob Master-son, both second year men, also will be heard from.

The center position seems to be a two man race involving junior Dick Murphy and sophomore Joe Gleason. Murphy's greater experience gives him a slight advantage.

Bob Jachowicz, a three year veteran, looks like a sixty minute performer at right guard. Although he packs a mere 180 pounds on his 5-foot-11 frame, he is at this point the best lineman on the squad.

### Donnelly At Right Tackle

The right tackle spot will be capably handled by Captain Tex Donnelly, a burly 220 pounder, who will also see double duty. Junior Tony Starzynski is in line for plenty of action. The tackle spot was weakened considerably by the loss of Stan Bohdiewicz.

Tom McCann, a sure fingered junior, will get the nod at right end if Holy Cross receives. The defensive left end spot will be handled by Sophomore Owen Coogan.

The series between Holy Cross and Dartmouth dates back to 1903. The Indians have had much the better of the action, winning fifteen times and losing only twice. There have been two ties.

The Crusaders haven't won a game in this rivalry since 1945 when the Orange Bowl team engineered a 13 to 7 triumph. Last season the boys from Hanover whacked the Cross, 31 to 7.

The Crusaders have their work cut out for them if they hope to begin the season with a victory over Dartmouth.

Also battling for a varsity berth are several promising sophs, including Jim Brogioli, Armand Garafola, Bill Brennan and Sal Marra.

### The schedule:

Sept. 30—Dartmouth, at Hanover.  
Oct. 13—Triangular meet with Harvard and Rhode Island State at Cambridge.  
Oct. 20—Williams, at Williamstown.  
Oct. 24—Providence at Fitton Field.  
Oct. 27—Yale, at New Haven.  
Nov. 3—Brown, at Franklin Field, Boston.

## DARTMOUTH STALWARTS LOST FROM LAST SEASON

Clayton, Ace Quarterback, Paces Backfield; Veterans Isbey, Tyler and Roberts Lend Support

By Woody Klein, Sports Editor "The Dartmouth"

Aiming to uphold the winning formula which has enabled Big Green football teams to sweep twelve out of sixteen games over the last two years, Dartmouth's 1950 gridiron forces will throw a comparatively reserve-barren squad into Saturday's opening Memorial Field fray with Holy Cross.

No less than ten first-string operatives, both offensive and defensive, were lost through graduation. The loss of Tom "Red" Rowe, the Ivy League's best end by far during the '49 campaign, and Dave Beeman left no available letter winning ends. Former Captain Herb Carey, also graduated in June, as did Hal Fitkin, Bill Dey and Stew Young.

### Lack Strong Reserves

The starting eleven which faces the Cross will be a strong, well-co-ordinated team, but will lack strong reserves. Captain Paul Staley will lead the predominately senior-dominated squad from his center position.

It is the Indian backfield which looms as the outstanding aspect of the 1950 aggregation. John Clayton, one of the nation's top T-formation quarterbacks, is regarded as the best football player in New England. The Dartmouth field general was the Ivy League's top passer in 1949, completing 65 of 116 passes for 813 yards and nine touchdowns.

The first backfield also includes veteran halfbacks Ed Isbey and Bob Tyler, and Bill Roberts in the fullback slot. The leading ground gainer among Ivy backs, Roberts covered 698 yards last year in 125 attempts, setting a new Big Green record in this department. He single-handedly beat Holy Cross last year, gaining 195 yards in 18 tries.

### Worried About Ends

Bolstering the backfield once again are Eddie Williams, a letterman who was sidelined with injuries the past two years, Charlie Curtis and Tom Collins, with the latter two among the leaders for starting defensive halfback positions.

It is the end posts about which the Dartmouth coaching staff is most con-

cerned. John MacDonald, Vin Mariott, Ed Larigan and Don Myers saw limited action in 1949, but will be relied upon this year.

At the tackles, line Coach John Dell Isola has Ted Eberle, Charlie Bailly and Bill Monahan, all of whom saw regular duty last year. Only two veteran guards return, Dick Price and Pete Bogardus. Behind them are a host of juniors and sophomores, all inexperienced. Captain Paul Staley heads the center squad, with letterman Bill Vesprini and John McNary also slated for action.

With three weeks of intensive training behind them, the Indians are set for the Crusaders. Whether Clayton will measure up to his '49 ability with a new set of receivers, and whether the line can hold up with a minimum of reserve strength are two big questions which will be answered Saturday.

However, the Indians should get by the Crusaders, despite the return of Dr. Eddie Anderson, whom all opponent coaches respect for his past record.

## Gebhardt, Heon Co-Captain Nine Shellenbach, Porter Sign with Braves

Falling leaves and brisk fall winds bring football to the mind of every one save that of Varsity baseball coach Jack Barry. Coach Barry has already sent out the call for varsity candidates and he is wasting no time in setting up his starting nine for 1951. Thirty-five hopefuls turned out for fall practice last Monday, and it was announced that outfielder Ralph Gebhardt and third baseman Bob Heon had been appointed co-captains for next season.

Two members of last year's Varsity Baseball team were signed to Major League contracts by the Boston Braves this past summer. Dick Shellenbach, a big right handed pitcher, was sent to Hartford, a Braves' affiliate, following his graduation last Spring. Shellenbach was later released by Hartford but was told to report for Spring training in 1951.

Last year's captain and shortstop Billy Porter, will also report to the Braves next Spring. Jack Concannon, regular second-baseman last season, played shortstop in his freshman year and it may be that Mr. Barry is contemplating moving Concannon back to short and using Chick Gagnon as second.

Pete Naton is almost a sure bet to become the number one receiver now that Bill Stetter is gone. Pete starred on last season's freshman nine. The right-field spot vacated by John "Doc" Lavery is wide open. Art Mooseman, another candidate up from last year's frosh, is a leading contender.

## Hill and Dalers Open at Dartmouth; Ahern and Kelley Carry Cross Hopes

The Holy Cross cross-country squad will open their fall season this Saturday at Hanover when they match strides with a strong Dartmouth team in a grueling four-mile battle.

Leading the Crusader contingent will be seniors Dick Ahern and Dan Kelley, both of whom have starred on the cinders in their three years at the Cross. Veteran coach Bart Sullivan expects considerable help from Bill Hahn and Pete Beckerle of the Junior class, as well as Joe Kearney, Henry Jerome and Carroll Mealey.

## THE DOCTOR IS A REALIST . . .

Ever since Holy Cross played in the Orange Bowl after the 1945 season, students at this neighborly institution have returned from their summer vacations and looked optimistically at the football schedule with the delusive desire of having another fine season and possibly spending New Year's Eve in Miami.

This year no one has mentioned Miami. In fact, no one is mentioning football to any great extent. Instead, they are waiting. Waiting for Saturday and a peek at what Doctor Eddie Anderson has assembled in the way of a football team.

The Doctor, when he talks about his team, is a realist. He does not have a tear in his eye and a tongue in his cheek. He does he try to make you believe his team will win every week, or even two out of every three weeks.

The Doctor plays it cozy. He knows he does not have the bestest football players in the world. Anyone who follows Holy Cross football knows that, especially the players. But the players also know they are not the worst football players in the world.

Around the middle of last December they may have thought that, but when the Doctor arrived in February, he said his first job was to restore confidence in his players. That he has done. Now he is trying to squeeze every ounce of ability out of them. And if there is a better man in the country at squeezing ability out of well-gristled young men, then the Philadelphia Eagles haven't heard about him. The Eagles, you will remember got their professional crown pushed down over their eyes by the Doctor's College All-Stars back in August. The score was 17-7.

Only two principal injuries will rob the Doctor of expected starters for tomorrow's game at Dartmouth. A torn ligament will keep left end Jim MacDougald out for another week, and a malignant tumor below the right knee will keep left tackle Dick Sweeny out anywhere from two weeks to the full season. A puncture wound in the heart almost kept Paul Gallo out of school, much less football games, but the regular quarterback registered last Tuesday and is expected to start tomorrow.

## BADGES OF HONOR . . .

Those are the principal casualties. Well-honed physical condition has limited other injuries to a minimum of the usual bumps and bruises. And the way you must play for the Doctor, bumps and bruises are badges of honor proving you are not afraid to belt the next guy. Which is the idea of this game, anyway.

You will see interesting football this fall. Not too much of pile-driving up the middle, but more passing, end runs and tackle slashing by the mercury-gaited backfield of Johnny Macco, Mel Massucco, and Bob Doyle.

This team will certainly not win all their games, but they will win their share, and there is a sneaky feeling they may win more than their share. You will enjoy watching them because the players will want to play football, they will be in shape to play it, and they will know what they are supposed to do and they will try their best to do it. Another thing is sure, there will be no lethargic lumps of suet free-loading an education by keeping their white jerseys spotless every Saturday afternoon.

Don't worry, you won't be ashamed of Holy Cross football this season.

## Many Stars On Big Frosh Squad Prep For Opener With Colgate Yearlings on Oct. 13 in Hamilton

By Bill Sherry

Fall, football and freshmen all arrive at once on the Hill and this year the football-playing frosh are preparing for what looks like a very promising fall season.

Coach Hop Riopel, assisted by Commander "Duke" Ferrara, has a thirty-two man squad on hand which is large in more ways than one. Featuring crushing linemen and also big fast backs, the class of '54' appears loaded with talent.

Hop plans on using a T formation offense and the two platoon system, and from the showing up on the hill-top, the substitutions don't seem to be the least bit harmful. The defensive linemen have been getting their baptism under the fire of the varsity and have been holding their own. Spearheaded by a host of All-Staters and various high-school all-stars the team is slowly rounding into shape.

In the line at ends are Charlie Gorham of Westfield High, John Rutherford, from B. C. High; John Carroll of Albany, N. Y., and J. J. Shapley of Rochester.

The aspiring tackles are led by Mike Cooney, Rhode Island All stater from LaSalle Academy, and Earl Lavery, 260 pounder from Fairfield Prep. Also in line for plenty of action at the tackles are Mark Foley of St. John's in Worcester, Ray Burr from Coopers-town, N. Y., and Leon Williams of Millinocket, Maine.

In the guard slots 230 pound Jim Vogt, from Cranwell Prep, appears headed for one berth, with Jim Buonopane, Boston Suburban, Dick Jennings, a Greater Boston and South Shore All Scholastic, and Tom McGauley, another local boy from South High, striving either to out-hustle Vogt or get that other job.

The centers, at present, are limited

## Freshman Class Second Largest Mass. Leads List of 21 States, 3 Nations

The class of 1954, second largest ever to register at Holy Cross, entered Linden Lane September 20 to begin their new life on Mount Saint James. Numbering 516 members, they represent 21 states, the District of Columbia, Hawaii, British West Indies, and Indo-China.

Massachusetts, as usual, led the registrants with 200 of her sons, the state of New York was second with 163, Connecticut followed with 47, New Jersey with 27, and Rhode Island with 13. Maine, Michigan and Ohio were each represented with 8, Vermont and Wisconsin with 4, Maryland with 3, two each from California and Iowa, and one each from Florida, Missouri, South Carolina, North Carolina, Illinois, Virginia, the District of Columbia, the British West Indies, Hawaii and Indo-China.

The class is comprised of 400 boarders, 91 day students, and 25 students living off campus. Of the students, ranging in age from 15 to 25, only 11 are veterans.

James C. Cullen '54 of Shrewsbury, Mass., joins his two brothers on the Hill, Charles and Robert, '52.

J. Philip O'Neil of Akron, Ohio becomes the eighth member of his family to attend the Cross. James E. Cannon, Jr., from Windsor Locks, Conn., follows the footsteps of his father and 6 uncles.

The class boasts but one set of twins, Peter and Robert Caponegro, of Brooklyn, N. Y. brothers of Francis, class of '50.

The oldest class is represented by Gerald A. Fitzgerald, of Fayetteville, N. Y. whose great-uncle, Dr. J. J. Mangan graduated in 1883. The latest class represented is that of Joseph N. Harrington, '30, of Belmont, Mass., whose son started this fall.

## MANY STUDENTS ANSWER CALL TO PRIESTHOOD

During the vacation period an exceptional and gratifying number of Holy Cross students entered the religious life. Thirty-two religious vocations have been realized this summer from the student body—almost twice the number that left the College last year to begin their religious studies.

The New England Province of the Jesuit Order accepted five candidates for their initial studies: Harold Bumpus, '53, Joseph McWade, '50, William Barry, '52, and William Hersey, '52. John McQuade, '52, joined the New York Province of the Order, while Timothy Howard, '52, and John Tallon, '52, entered the Jesuit Order in the Province of Missouri.

Arthur Ouellette, '50, David Phelan, '50, Peter Pelouquin, '52, James Fitzgibbons, '52, and George J. Reuger, '53

joined the Secular Priesthood in the Diocese of Worcester. Others who entered the Secular Priesthood were: William Cunningham, '52, Diocese of Springfield; William Quirk, '50, Diocese of Manchester; and John M. Ryan, '51, Diocese of Albany.

Three graduates, Matthew Thompson, Joseph Love, and Murray Loftus began their studies for the priesthood in St. Philip Neri School for delayed Vocations. The Trappist Order has accepted John McClusky, '53, and Richard Steinbugler, '52. Harry Boyle, Charles Maloney, and Robert Martin of the Class of 1952 entered the Paulist Order, while Philip Berrigan, '50, and James Hayes, '50, began their studies with the Josephine Fathers. Others who entered religious orders were: Daniel Doherty, '52, the Dominicans; Edward Coughlin, '53, the Maryknoll Order; Charles Dumphy, '51, the Sulpicians; Stephen Rutkowski, '53, the Friars of the Atonement; Foster Burbank, '52, the Holy Cross Fathers; and Simon Kelley, '52, the Augustinian Order.

## INDO-CHINESE PRIEST AT H. C.

### First of Group From Far Eastern Seminary

Entering Holy Cross for special studies, Rev. Nouyen-Hieu-Hoc, a native of Vietnam, French Indo-China, is one of the first members of a group of seminarians and priests to arrive in the United States from the Far East to specialize in subjects offered by the

Institute of Industrial Relations. Father Hoc's studies here were arranged by Most Rev. John J. Wright, Bishop of Worcester, and the Most Rev. Anslem Le Huu Tu, Bishop of Vietnam. Along with his studies at Holy Cross, Father Hoc also will serve on the Cathedral staff and will make his residence in the Cathedral rectory. He was ordained to the priesthood in Rome last December following completion of his studies in Theology in Vietnam.

Write a "Happy-Go-Lucky" jingle, like those you see on this page, based on some phase of college life. If your jingle is selected for possible use in Lucky Strike advertising, we will pay you \$25 for the right to use it and your name in our advertising. Start today. "Happy-Go-Luckies" will soon be running in your paper. Send in your jingles—as many as you like—right away, and \$25 can be yours pronto if your jingle is chosen. Be the first to write a jingle in your school. Watch this paper for more "Happy-Go-Luckies."

### READ THESE SIMPLE INSTRUCTIONS

1. Write your "Happy-Go-Lucky" four-line jingle on a plain piece of paper, or postcard, and send it to Happy-Go-Lucky, P.O. Box 67, New York 46, N. Y.

Be sure your name, college and address are included—and that they are legible.

2. Every student of any college or university may submit jingles.

I really am a Lucky guy.  
Just got my Ph.D.,  
To prove to you how much I know,  
L.S., sir, means F.T.

I study French and English lit;  
I study Latin too,  
But words that I like best to hear  
Are Lucky Strike, don't you?

## Be Happy-Go Lucky!

Enjoy truly fine tobacco! Enjoy perfect mildness and rich taste!
